RELEASE THE KRACKEN!

**A GROUP EXHIBITION FEATURING VINTAGE AQUATIC
PAINTINGS RE-IMAGINED BY 30 ARTISTS**

AUGUST 12th – SEPTEMBER 11th, 2011

Opening Reception with the Artists: Friday, August 12th, 6-10pm

What's the best way to celebrate Subtext's 5th anniversary? Krakens, of course! For this epic show, we've been hunting down vintage aquatic-themed paintings for over a year now, and we've found some gems from all over the country. Each artist was given a painting with a body of water in it, and then asked to "Kraken-ize" it by adding some sea monsters, hydro-creatures or aquatic beasts of their liking. The result will be nothing short of awesome. Release the Kraken marks the 5th year of our gallery, and we couldn't be more excited to celebrate it with you!
