# Damages

**NEW WORKS BY N.C. WINTERS**

SEPTEMBER 10th – OCTOBER 10th, 2010

*Opening Reception with the Artist: Friday, September 10th, 6-10pm*

---

This September, Subtext welcomes Autumn by featuring one of our favorite artists (and Carlsbad native), N.C. Winters. Damages is Winters' first solo exhibition with Subtext, in which he has created a collection of paintings that interpret the feelings of disrepair, sacrifice and loss wrapped in N.C.'s definitive style. The vibrant colors, raw textures, and enchanting characters found in his work introduces his unique point of view that often incorporates the juxtaposition of disparate themes in a very graphic, yet highly illustrative approach.
